***Membership Benefits:***

- 1. Educational Programs- (Members receive discounted registration fees to all educational programs)***  
The Chapter generally offers multiple continuing education programs. The annual fall seminar is an all day event featuring presentations on current infusion therapy topics as well as vendors exhibiting new infusion therapy products and devices. The programs offer great opportunities for networking with peers.
- 2. Assistance with CRNI certification***  
The Chapter provides support toward national certification in Infusion Therapy (CRNI) by offering the INS audio-tapes and/or CDs to members at a minimal deposit.
- 3. Access to the Infusion Nurses Society statewide network of peers and infusion industry contacts***
  - Connecticut Chapter Newsletter, quarterly
  - CT INS online network- Our brand new forum was launched in October 2008. This is a free service offered through our website available to all interested in infusion topics. Ask questions, share information, and more. View and/or join by going online to: [www.ctins.org/forum](http://www.ctins.org/forum)
- 4. Mary Jane Monast Scholarship***  
A \$500 scholarship, to be used towards a National INS educational event, is awarded at the Fall Seminar. The participant must be a member of both the Connecticut and National INS.
- 5. Opportunities*** to serve on the Chapter’s Board planning services and promoting infusion nursing standards.
- 6. Option to utilize CT INS online:*** Our website [www.ctins.org](http://www.ctins.org) is a great source of information from calendar events, membership information and documents, to educational resources and much more. Any questions about our web site can be directed to the CT INS Internet Chairperson: Alice Cennamo, RN, CRNI - email: [alice@piccresource.com](mailto:alice@piccresource.com)

*Please note that while National INS membership is encouraged, it is not a requirement of joining the local chapter.*
